The co-lead facilitated the discussion on several key points in the matrix which included increasing participation in after school programming and summer programming. There was significant discussion about supporting students that are at risk and parental support. The subject of transportation continues to be listed as a barrier to parental involvement. The matrix was finished in draft form and each task force member was asked to look at the matrix and send comments or bring comments back to the next meeting.

1. Next Meeting: Date, Time and Agenda
